

NON-DISCLOSURE AGREEMENT

(Pursuant to the Data Privacy Act of 2012, Republic Act No. 10173)

This Non-Disclosure Agreement (“Agreement”) is executed between **S.P. Madrid & Associates** (the “Company”), with office address at Unit 2010 Cityland Herrera Tower, V.A. Rufino St. corner Valero St., Makati City, and **Jordanne Alexie Mallari Bartolome** (the “Intern”), with address at **154 H. Loreto Street Sampaloc, Manila**.

The Intern acknowledges that, by virtue of work performed for the Company, the Intern may become aware of, obtain, or be given access to certain confidential, sensitive, or proprietary information essential to the Company’s operations and those of its clients.

The Intern agrees as follows:

1. Confidential Information and Non-Disclosure

The Intern shall not disclose, use, copy, or reproduce any Confidential Information during or after employment, except as required in the performance assigned duties.

"Confidential Information" includes all non-public information owned, developed or held by the Company or received from its clients, including personal data as defined under the Data Privacy Act of 2012 and its Implementing Rules and Regulations.

Disclosure is permitted only with prior written consent of the information owner or if the information becomes public through no fault of the Intern. The Intern's non-disclosure obligation survives the termination of employment.

2. Publications and Media

The Intern shall not publish, upload, or disseminate any material, image, video, or content relating to the Company, its clients, personnel, operations, or internal systems without prior written approval of the Company's authorized representative.

3. Third-Party Information

The Intern shall not request, induce, or encourage the Company, or any of its officers or staff, to disclose confidential information belonging to third parties.

4. Professional Conduct

The Intern shall not create, spread, or participate in the dissemination of false or misleading statements that damage or could damage the reputation, business, or operations of the Company.

5. Return of Materials

Upon notice of termination—whether voluntary or for cause—the Intern shall immediately return all documents, files, devices, and materials containing Company information, including all copies, whether digital or physical, that are in the Intern's possession or control.

6. Non-Competition

For a period of **one (1) year** from termination, the Intern shall not work for, consult with, or render substantially similar services to any **direct competitor** of the Company engaged in:

- debt collection
- legal process outsourcing,
- litigation support services, or
- related operations that compete directly with the Company.

This restriction applies only to entities operating **in the Philippines** and only to roles where the Intern's duties would reasonably allow the use or disclosure of the Company's Confidential Information.

BREACH OF AGREEMENT

Any breach of this Agreement may constitute grounds for disciplinary action, including termination, and may subject the Intern to civil or criminal liability.

Because monetary damages may be inadequate to remedy a breach, the Company is entitled to equity.

If a breach occurs, the Intern shall pay **liquidated damages of ONE HUNDRED THOUSAND PESOS (₱100,000.00)** as reasonable compensation and not as a penalty, without prejudice to the Company's right to additional remedies.

If a court of competent jurisdiction issues a final and executory decision finding a breach of this Agreement, the breaching party shall reimburse the non-breaching party for all reasonable legal fees and litigation expenses, plus attorney's fees equivalent to **twenty-five percent (25%)** of the amount recovered.

Venue is exclusively in the proper courts of Makati City.

GENERAL PROVISIONS

This Agreement supplements, and does not modify or limit, the Company's policies, rules, practices, and Code of Conduct and Discipline, all of which the Intern agrees to comply with.

By signing this Agreement, the Intern consents to the processing of personal data by the Company for legitimate business, operational, administrative, and compliance purposes under Data Privacy Act of 2012.
